All – Thanks for your help with revising the legal authority section of the FIP preamble, and with the related discussions. I understand that Janet has asked us to go ahead and send it to OMB when we're ready. I told Claudia I'd take another look at it today but that I think we're ready for it to be sent, once our internal comments and back-and-forth edits are taken out. (That is, OMB will get a comparison version, but not one that shows our internal discussions.) Please let me know right away if you'd like to look at it again before it goes to OMB. Thanks.
